

Readiness

Checklist:

- Is your child 20 months or older?
- Can your child communicate his/her needs with 1-2 words or signs?
- Can your child follow 1-2 step directions?
- Is your child trying to do tasks independently?
- Does your child imitate your behavior or their siblings/other kids?
- Is your child aware when he/she goes pee or poop in his/her diaper?
- Does your child try to take his/her clothes or diaper off?

*Not every sign needs to be present to determine readiness
